## Data Analyst | Power BI Developer

Karachi, Pakistan | 0318-2918428 | [ak6251962@gmail.com](mailto:ak6251962@gmail.com) | [linkedin.com/in/asifa-khan12](https://linkedin.com/in/asifa-khan12)

### PROFESSIONAL SUMMARY

Data Analyst with hands-on internship experience delivering Power BI dashboards, automated reporting, and API-integrated data pipelines for a US-based research firm. Skilled in Power Query, DAX, SQL, and Python, with a competition-winning track record in dashboard design and data storytelling. Combines a Computer Science background with practical business intelligence experience in clinical research and e-commerce analytics contexts. Seeking an entry-level Data Analyst or Power BI Developer role to deliver data-driven insights and reporting automation.

### EDUCATION

#### Bachelor of Computer Science

Apr 2025 – Present

Hamdard University, Karachi

- Coursework: Data Structures & Algorithms, Object-Oriented Programming, Databases, Web Engineering, Software Engineering.

### WORK EXPERIENCE

#### Data Analyst Intern

May 2026 – Jun 2026

Minerva Research Solutions (US-based Company)

- Analyzed business datasets and transformed raw data into actionable insights using Power BI and Excel.
- Designed and developed interactive Power BI dashboards to support data-driven business decisions.
- Cleaned, transformed, and validated data using Power Query, improving reporting accuracy and consistency.
- Integrated data from multiple APIs, enabling automated dashboard refresh and reducing manual reporting effort.
- Delivered analytical reports used by stakeholders for business decision-making.

### PROJECTS

#### Currency Exchange Analysis Dashboard — Competition Winner

Jun 2026

Tools: Power BI, API, Power Query, DAX, Excel

- Won an internal Data Analytics competition with a real-time Currency Exchange Analysis Dashboard.
- Integrated live exchange rate data via API and automated data refresh using Power Query.
- Built DAX measures to calculate conversion trends and support real-time decision-making.

#### E-Commerce Sales Dashboard

Tools: Power BI, Excel, DAX

- Analyzed sales data in Excel and built interactive Power BI dashboards covering revenue, customer behavior, and product performance.
- Applied DAX measures to surface key performance indicators for business stakeholders.

#### Marketing Campaigns Performance Dashboard

Tools: Power BI, Excel, DAX

- Analyzed multi-channel campaign performance data and built interactive Power BI dashboards to track KPIs and measure effectiveness.
- Delivered actionable marketing insights to support data-driven campaign decisions.

#### Regulatory Studies Exception Monitoring Dashboard

Tools: Power BI, Excel, DAX

- Designed and integrated an Exception Table into an existing Regulatory Studies Dashboard to flag inconsistencies where Study Award Date preceded PSV Date.
- Enabled stakeholders to detect incorrect study management records, improving data quality and reporting accuracy.

### SKILLS

- Data Analysis & BI:** Power BI, Power Query, DAX, Microsoft Excel (Advanced), KPI Analysis, Data Visualization, Dashboard Development
- Programming & Data:** SQL, Python, Database Management, API Integration, Data Cleaning & Transformation
- Core Competencies:** Reporting & Insights Generation, Problem Solving & Critical Thinking, Team Collaboration, Git & GitHub

### CERTIFICATIONS

- Introduction to Power BI** (DataCamp) | **Advanced Excel Functions** (DataCamp) | **Data Modeling (SQLBI)** | **Data Integrations** (HubSpot) | **Programming in Python** (Meta) | **Git and GitHub** (IBM)
